# **Rains Bring** Flood Threats in Many States

Little Rock, Feb. 14 -(AP)-Flood threats mounted today as Arkansas' major rivers began another move out of their banks.

And continued heavy rains, companied by dropping tempera-tures, piled new woes on weatherweary Arkansans.

By The Associated Press Rain splashed over the middle and lower Mississippi valley today, raising the threat of new floods in the area already hard hit by over-

flows this winter. Heavy rainfalls were reported by the U.S. Weather Bureau in Arkansas, Louisiana and Mississippi. More rain also fell in some parts of Indiana, Illinois and Mis-

## **Advertising Experts** Judge Lion's Ads

The two Lion advertisements shown on another page of this abstract were submitted to a croup of professional advertising men and women with the questions. Which advertisement in the page affective? or opinion, is most effective?

The majority opinion favored the "Home Folks" advertisement over the "Hey, Pop" advertisement over the "Hey, Pop" advertisement over the "Hey, Pop" advertisement. The reasons: (1) the more detailed—and more interesting—illustration, which "gets over" actypical Southern setting at a glance; (2) the headline, which (alkojigh the "Hey, Pop" headline hight be considered as arousing more curiosity) sets the mood betained tells the story quicker; (3) the longer copy, which permits the full story to be told; (4) and the flist of this "good neighbor's" the list of this "good neighbor's" there known products, which sug-
